a period of 10-12 years
at least

Can't recall ever getting a card or note and
don't recall ever sending one.

last summer to a relative.

Received a crystal capital but gave it
away. knew it's been at least 2 years since
wasn't handed to me, but not remember if it was delivered or
mailed

[Think he received a plate (can't recall)
(what type) but think it got broke.]

Almost certain 99 out of 100 it was delivered to
him here. If it were delivered to work
it would have been left here.
